Invite Youth to Participate in the**

Frog Pond Science Club

MARCH TO JUNE 2016

Wednesdays –March 16, April 20, May 18 & June 15

4pm to 5pm

For 5 to 9 year olds; \$8 per child per session

Uncover and discover ecosystem interactions at the frog pond.

Use nets, magnifiers, and microscopes to investigate what lives in and around the pond. Learn from a naturalist how to protect and conserve the pond's inhabitants.

Advance registration and payment are required.
