

The Bug Club is devoted to young people who want to explore the wonders of insects through field walks, games, stories and crafts. Learn how butterflies migrate, watch dragonflies dance on the river, discover who's living under that log and investigate where insects fit into the food web!

Invite Youth to Participate in the

Bug Club

Spring 2019

Tuesdays – April 9th, May 14th, June 11th

4pm to 5pm

For 6- to 10-year olds; \$10 per child per session

Each month, we will explore different aspects of entomology as we catch, collect, observe, identify and release a variety of invertebrate species. Together we'll use nets, magnifiers, and microscopes to investigate their behaviors, ecology and the important roles they play within the larger ecosystem. Come ready to explore!

Advance registration and payment are required.

Parents: This is a drop-off and pick-up class.

There are no refunds or credits for missed or canceled classes.
