

We have planned an exciting Dinosaur Day to be held at our newly renovated Riker Hill Art Park. Children will participate in a hands-on geology and art program that explores our natural world right here in Essex County. I invite children to participate in this one-day program for an exciting adventure.

Dinosaur Day Geology Tour & Wild Art

Saturday, April 18, 2020

9:30am to 3:30pm, Fee: \$80 per child

Take a guided hike of the Walter Kiddie Dinosaur Quarry with Essex County Environmental Center Naturalist David Alexander. After examining Jurassic age dinosaur tracks, we'll return to the Riker Hill Art Park Studio to create our own small-scale clay interpretation of what the dinosaurs may have looked like with artist Ivan Bratko.

Meeting Location: RIKER HILL ART PARK
276 Beaufort Avenue, Livingston, NJ 07039 (Studio 500)
(Bring your own bagged lunch and snack.)

Space is limited; advanced registration is required!

For information, please call 973-228-8776.
