And the Board of Chosen Freeholders**

Invite Youth to Participate in the

Frog Pond Science Club

Autumn 2019

Tuesdays –September 10, October 8, November 12, December 10

Or

Wednesdays –September 18, October 16, November 20, December 18

4pm to 5pm

For 5- to 9-year olds; \$10 per child per session

Uncover and discover ecosystem interactions at the frog pond.

Use nets, magnifiers, and microscopes to investigate. Learn from a naturalist how to protect and conserve the pond's inhabitants.

Advance registration and payment are required.

Parents: This is a drop-off and pick-up class.

There are no refunds or credits for missed or canceled classes.
