Invite Youth to Participate in the

Frog Pond Science Club

Tuesdays—September 7th and October 5th

OR

Wednesdays—September 8th and October 6th

4pm to 5pm

For children 5 to 9 years. Uncover and discover ecosystem interactions at the frog pond. Use nets, magnifiers, and microscopes to investigate. Learn from a naturalist how to protect and conserve the pond's inhabitants. Advanced registration and payment required. This is a drop-off and pick-up class.

Fee: \$10/child/session

There are no refunds or credits for missed or canceled classes.
