Invite Youth to Participate in the

Frog Pond Science Club

Spring 2020

Tuesdays – March 10, April 14, May 12, June 9

Or

Wednesdays – March 18, April 15, May 20, June 17

4pm to 5pm

\$10 per child per session

For 5- to 9-year-olds. Uncover and discover ecosystem interactions at the frog pond. Use nets, magnifiers and microscopes to investigate. Learn from a naturalist how to protect and conserve the pond's inhabitants.

Advanced registration and payment are required.

Parents: This is a drop-off and pick-up class.

There are no refunds or credits for missed or canceled classes.
