Invite Youth to Participate in the

Frog Pond Science Club

Winter 2018-2019

Wednesdays –December 19; January 16; February 20; March 20

4pm to 5pm

For 5- to 9-year olds; \$10 per child per session

Uncover and discover ecosystem interactions at the frog pond. Use nets, magnifiers, and microscopes to investigate. Learn from a naturalist how to protect and conserve the pond’s inhabitants.

Advance registration and payment are required.

Parents: This is a drop-off and pick-up class.
 There are no refunds or credits for missed or canceled classes.
