It has been a “freezing” winter and everyone, especially the animals, are anticipating the arrival of warmer weather. Join us as we explore the forest for the annual signs that the winter thaw has started and spring is gradually approaching. This is an exciting time of year, and we will closely observe how the warmth slowly wakes up our sleeping forest.

All children must be walking and accompanied by an adult. Paths cannot accommodate strollers. Be prepared for wet conditions. Maximum of two children per adult; all sessions are limited to 10 children. Payment is required prior to the day of the scheduled program in order to guarantee a space in the class.

There are no refunds or credits for missed or cancelled classes. Thank You!
